

Wristband instructions

- 1. Colour the wristband:** Colour in the wristband artwork however you like. Make sure you stay inside the outline.
- 2. Cut out the wristband shape:** Carefully cut around the outside edge of the wristband, following the solid outline.
- 3. Cut along the dotted lines:** Cut only on the dotted lines where marked - these will be the latch slots.
- 4. Wrap the wristband around your wrist:** Wrap it around your wrist with the artwork facing out.
- 5. Latch the dotted line areas together:** Slide the cut dotted line tabs into each other so the wristband holds in place.
